

QUIZ SEVEN

On September 22, 2017, President Donald Trump tweeted the following:

The Russian hoax continues, now it's ads on Facebook. What about the totally biased and dishonest Media coverage in favor of Crooked Hilary?

You should treat this tweet as a bit of testimony, something the President said to the American people. Using the techniques developed in Chapter Ten and the lectures in Week Seven analyze the evidential quality of the President's statement for the claim that Russian interference in the election is a hoax.

A word of caution here. It should not matter whether you are a Republican or a Democrat, nor whether you are pro or anti Trump for the purposes of this quiz. Please don't let your feelings about the President, or whether you think the Russian meddling is a hoax or not, get in the way of demonstrating your understanding of the material presented in Week Seven.
